To whom it may concern:

In accordance with the OIADA/NIADA Affiliation Agreement, this letter is to serve as the required thirty (30) day written notice of opportunity for NIADA to present its case to members of the OIADA Executive Committee prior to cancellation of the Affiliation Agreement.

Let it be known that on the 22<sup>nd</sup> day of August 2013, the OIADA Executive Committee, duly assembled, did, in the proper discharge of their fiduciary duty to protect the assets of and insure the Oklahoma Independent Automobile Dealers Association's financial position, vote to adopt and execute OIADA Resolution #3 2013 instructing O & R Morgan, Inc., its management company, to begin the process of cancelling the OIADA/NIADA Affiliation Agreement effective on or before December 31, 2013, in order to put to better use the revenue that NIADA now receives from the Oklahoma membership dues assessment.

We respectfully request from NIADA, a final listing of OIADA/NIADA members including the expiration date of those memberships as of the effective date of NIADA's acceptance of this cancellation notice so that we may suggest to those dealers who are benefitting from NIADA's programs that, following the final OIADA/NIADA Affiliation Agreement cancellation date and at the end of their OIADA/NIADA membership year, they will have an opportunity to make application for direct membership in NIADA.

Sincerely,

Odell Morgan,  
President, O & R Morgan, Inc.
