

## **Used Motor Vehicle and Parts Commission Report By ADR Staff**

Commissioner Steve Ross convened the July 12, 2016, session of the Used Motor Vehicle and Parts Commission (UMV&PC). Following roll call and approval of the June 2016 meeting minutes, Ross called on Commission Director John Maile for his report.

Director Maile told the Commissioners that the Department of Consumer Credit has started participating in the dealer education program again. They are covering the consumer credit aspects of credit sales.

Curt Roggow, Legislative Liaison for the Commission, advised the commissioners that the Oklahoma House of Representatives has posted the interim studies. None of the studies impact the Commission. The Oklahoma Senate has not posted their list of interim studies.

Roggow reminded the Commissioners that this is an election year. There will be at least 43 new members in the legislature.

Chief Investigator John Lancaster informed the Commissioners that staff had conducted 32 dealer audits. In addition, investigators had completed 32 inspections and had handled 23 complaints: 12 title issues, 2 contract violations, 1 mechanical issue, 8 miscellaneous, and 0 advertising. Thirty-two informal hearings were conducted.

A total of 50 dealers attended the on-site education program in June. Applicants for a new license and dealers involved in significant rule violations are required to attend the Commission's education program as a part of acquiring or maintaining a state license. These education sessions are being held in the conference room at 2401 NW 23, Oklahoma City. Classes are held on Monday prior to the Commission meeting on the second Tuesday of each month. The sessions run from 9 a.m. to about noon or 1 p.m. You are asked to make reservations so staff can be prepared to accommodate you. Call the Commission at 405-521-3600 to make your reservations.
