B. A person licensed as a scrap metal dealer in this state who is engaged primarily in the business of a scrap metal dealer and who crushes vehicles only at its licensed scrap metal dealer location shall be exempt from the licensing requirements of this act. A person licensed as a scrap metal dealer who fails to keep records of crushed vehicles as required by the Scrap Metal Dealers Act shall not be entitled to the exemption herein. Any crusher who is an independent contractor employed to crush vehicles for a scrap metal

dealer shall not be exempt from the requirements of this act. Any law enforcement officer or employee of the Used Motor Vehicle and Parts Commission shall be authorized to inspect the records of any licensed scrap metal dealer pertaining to crushed vehicles to verify compliance with this provision.

SECTION 5. NEW LAW A new section of law to be codified in the Oklahoma Statutes as Section 592.5 of Title 47, unless there is created a duplication in numbering, reads as follows:

A. Applications for a crusher license shall be under oath and shall state the full name and place of residence of the applicant. If the applicant has more than one member, the full name and residence of each member shall be stated. The application shall give the location of the business headquarters, and shall contain such relevant information as the Commission shall require.

B. Each applicant for a crusher license at the time of filing the application shall file with the Commission a bond in the amount of Twenty-five Thousand Dollars (\$25,000.00) for each license with a surety company qualified to do business in this state. The bond shall be approved as to form by the Attorney General and conditioned that the applicant shall not practice fraud, make any fraudulent representation, or violate any of the provisions of the Oklahoma Crusher Act or any of the rules made by the Commission hereunder in the conduct of the business for which the applicant is licensed and will pay to the state and to any person or persons any and all amounts of money that may become due or owing to the state or to such person or persons from the obligor under and by virtue of the provisions of the Oklahoma Crusher Act during the time such bond is in effect. The bond shall run to the benefit of the state and of any person or persons who may have cause of action against the obligor of the bond under the provisions of the Oklahoma Crusher Act up to the maximum amount of the bond.

If the Commission finds that the financial responsibility, experience, character and general fitness of the applicant are such as to warrant belief that the business will be operated lawfully and fairly, within the purposes of this act, and the applicant meets the eligibility requirements of this act and the rules of the Commission, the Commission shall grant the application and issue to the applicant a license which will be evidence of the authority of the applicant to do business pursuant to the Oklahoma Crusher Act.

B. If the Commission does not find facts sufficient to warrant issuance of a license, the Commission may deny the application. In the event of denial of the application, the investigation fee shall

be retained by the Commission, but the annual license fee shall be returned to the applicant.

C. The Commission shall prescribe by rule a fee for each initial application, investigation fee, renewal application, late fee for renewals not received by June 1, and fee for each license change, duplicate license or returned check.
