

PassTime Named to *Inc.* Magazine's 34th Annual List of America's Fastest-Growing Private Companies—the Inc. 5000

NEW YORK, August 13, 2015 -- *Inc.* magazine placed PassTime on its 34th annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino's Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 5000.

"I would like to thank Inc. for the recognition of PassTime. It's a tribute to the hard work and dedication of the executives and staff who work at PassTime," stated Stan Schwarz, CEO/Founder of PassTime.

The 2015 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* (available on newsstands August 18 to September 22) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 490%. The Inc. 5000's aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

"The story of this year's Inc. 5000 is the story of great leadership. In an incredibly competitive business landscape, it takes something extraordinary to take your company to the top," says Inc. President and Editor-In-Chief Eric Schurenberg. "You have to remember that the average company on the Inc. 5000 grew nearly six-fold since 2012. Business owners don't achieve that kind of success by accident."

PassTime, which has been in business for over twenty years, manufactures and sells GPS devices used for subprime automotive lending, theft-recovery, and vehicle fleet markets. In the auto finance market, PassTime devices are used by lenders to help assist with timely payment involving consumers with subprime credit. Devices are designed to help remind customers to make payments, and include GPS in the event the lender needs to locate the vehicle. It also offers consumer theft-recovery devices used by customers to help locate their vehicle with GPS in the event of a theft.

This is the first year that PassTime has made the prestigious Inc. 5000 list of fastest growing companies.

About Inc. and the Inc. 500|5000

Methodology

The 2015 Inc. 5000 is ranked according to percentage revenue growth when comparing 2011 to 2014. To qualify, companies must have been founded and generating revenue by March 31, 2011. They had to be U.S.-based, privately held, for profit, and independent--not subsidiaries or divisions of other companies--as of December 31, 2014. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2011 is \$100,000; the minimum for 2014 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/5000>.
