

# Oklahoma Independent Automobile Dealers Association

Oklahoma Independent Automobile Dealers Association

## Your Legislative "Watch Dog"

In 2012, the OIADA successfully stopped:

- A proposed amendment requiring extensive disclosure of vehicle damage, whether the damage could be known to the dealer or not, and would have subjected dealers to fraud charges for failure to comply.
- Legislation allowing local municipalities, counties, or the Department of Public Safety to place holds on the registration renewal for motor vehicles associated with violations.

*Serving the Industry Since 1955*

## **OIADA**
